

## The Province is Dry But Strathmore Goes Wet

That Alberta would go dry on Monday in the referendum taken on the question of continuing or discontinuing importation of liquor into the province for beverage purposes was conceded prior to voting day. So much was this the case that those who were opposed to a change did not do any active organization work or propaganda.

The result, however, was closer than was expected, the dry majority being according to the unofficial returns, 5500. Saskatchewan, Manitoba, and Nova Scotia also went on record as being against the continued importation of liquor into their territories, but only in the case of Nova Scotia was decisive victory attained, the dry majority there being 20,000.

The city of Calgary showed a dry majority of 459.

### THE LOCAL VOTE

Strathmore showed a decided wet majority, the figures being: NO, 141, YES, 89, a majority of 52. About two thirds of those entitled to vote did so, the total registration being about 360, of whom 235 voted. There were two rejected, and three spoiled ballots.

The country district throughout the Western Bow Valley showed some surprising difference of opinion. Carseland, for instance, showed a decided dry majority while Nightingale went as far the other way. The votes throughout the district, taken together, would indicate about an even break. The women voters took full advantage of the suffrage recently granted them, but apparently they voted for the most part according to the opinions of their male relatives.

Results of the poll were circulated through the agency of the telephone department, and this concession was much appreciated.

There was no active propaganda in favor of the retention of the right to import liquor, but there was considerable activity among the workers on the side of the dry force.

Following are the returns for a number of points in the Bow Valley:

	No	Yes
Nightingale	43	17
Chancellor	26	23
Rockford	40	23
Goodrich	28	27
Tudor	8	28
Namaka	43	19
Bassano	104	117
Carseland	70	62
Ardenode	23	22
Standard	25	26
Makepeace	2	4
Huaser	9	17
Langdon	14	27
Gleichen	200	150
Moorehouse	10	25

The question asked was whether the voter favored the abolition of the importation of liquor into the province for beverage purposes.

## Special U.F.A. Meeting

Farmers should note that a special meeting of Strathmore U.F.A. will be held in the King Edward Hotel on Saturday night, October 26th.

The Political district which the U.F.A. is organizing will be one of the topics under discussion, as will also be the question of the co-operative handling of milk and cream.

The grain prices will also be discussed.

Every farmer is urged to be present.

We will be very pleased to print reports of U.F.A. meetings throughout the district served by the Standard, or correspondence on any subject of interest to farmers, the only stipulation being that it is of interest to readers generally, and is readable and not libelous.

## Old Timers Leave

It is with regret that we have to chronicle the departure this week of Mr. and Mrs. Frank T. McElhones and family, and Mr. and Mrs. H. B. Seymour, who are leaving this week for Victoria, B. C.

They were among the earliest settlers in the district. Mr. McElhones has been largely interested in real estate, and showed his faith by buying land, and when the district was opened for settlement, in 1910 and the three years following, when progress seemed to be at a standstill, and farm land was hard to sell, Mr. McElhones had to struggle hard to retain his holdings, but his perseverance has been rewarded in the past five or six years by the increase in the value of the price of land throughout the district, and he is now in affluent circumstances. Mr. McElhones has taken a prominent part in church work and has also interested himself in public affairs, having been secretary of the U.F.A. and a former member of Strathmore Town Council.

Mr. and Mrs. Seymour came to Strathmore in the days when settlement first commenced, and Mr. Seymour was interested in the Molins-Strathmore Development Company, at first in lands, implements, and insurance. He has not taken such an active part in public affairs as Mr. McElhones, but has always been an earnest church worker.

Mr. McElhones' home has been bought by Mr. A. Laverett, and Mr. Seymour's by Mr. B. Galloway. The best wishes of the community will follow the McElhones and Seymour families in their future residence in Victoria.

Charlotteville, Prince Edward Island. More than a million dollars worth of silver for pets have been exported from Prince Edward Island during the past season. During the same period half a million dollars' worth of breeding stock has been shipped to various parts of the globe.

## Lighting and Fire Protection Discussed

At the regular meeting of Strathmore Town Council, held on Tuesday evening, with Mayor Lambert presiding, it was decided to install street lights on Second Street, and ultimately to extend them to other streets. For the purpose of providing the fuel, it was found that no local power plant was anxious to provide electricity, and the Council favored the installation of a 2-kilowatt incandescent lighting plant. A representative of the Bell Company was present, and demonstrated with an outfit mounted on a truck.

It was decided to confer further with the Bell Company, and outline the results to a special meeting. The Council also left to the Fire and Light Committee the purchase of a Pull Truck to mount the two-hundred chemical engines and water-tanks, to enable the outfit to get to town promptly.

### Caretaker Appointed

Mr. Mark Crellin was appointed caretaker of the Town Hall, and as a handman for odd jobs to be done in connection with the public utilities. Considerable discussion took place with regard to the Tax Sale which is to be held on November 6th. In connection with the Bradley estate, the Secretary, Mr. Lilly, was instructed to appear before the Public Utilities Board in Edmonton and represent the Council's side of the case.

## Habel Trio Tomorrow

Tomorrow evening (Thursday) the Habel Trio of instrumentalists, etc., will appear in the Open House, Strathmore, under the auspices of Dominion League.

They are a very talented company, and should attract a large audience. A number of local citizens are backing this, which is the first of a series of concerts to be held during the winter under the auspices of Dominion League.

Proceeds above the guarantee and expenses will go to the Strathmore Baseball Club.

There is Something of Interest on EVERY page of the Standard. Read them all—Ads. Too

## W. E. Brown Sells Out Business.

Local people will learn with great regret of the impending departure of Mr. W. E. Brown, Hardware Merchant, Barber and Cradlock, Stockingist, at present in progress, and the change will be consummated about the end of the month.

Mr. Brown was one of the first merchants to start business in Strathmore, and he always had a keen vision of the town and district, with the result that from a small beginning he has built up his hardware and furniture business till it is one of the best to be found anywhere in Alberta. At the same time he has always been a public spirited citizen, and has done especially good work in connection with Strathmore Hospital. He was for a time a member of the Town Council, and is a Past Master of Strathmore Masonic Lodge.

It is his intention to reside for the future in Victoria, and there, Brown and the family left for three some time ago.

Mr. Brown's successors are Messrs. Barber and Cradlock. They are experienced men in the hardware business, and without doubt will maintain the high reputation of the store, and give satisfaction to the people of the town and district.

They had taken possession of Mr. Brown's home on Second Street, and will be moving in shortly.

## Bad Fire at Home of E. E. Thompson

(Continued)

About 3 p.m. Saturday, Miss Thompson took notice that the straw stack which was close to the granary containing newly threshed wheat and green feed was ablaze. A community fire brigade of masculine and feminine brigade, young and old, from Nevers Profit, Wilkins, Barry, Taylor, Kearns, Cernoborsky and De Kort were sent on the spot and a general fight was put up to battle the flames from catching the granary.

Six wagons were put into action hauling away the grain. Fortunately the wind stayed in a favorable direction until early Sunday morning when it took a turn so that the granary had to be torn down and hauled away in sections.

The origin of the fire still remains a mystery. Mr. and Mrs. Thompson wish to thank each and everyone for the creditable manner in which they worked.

CZECHO-SLOVAK KIDNERS IN GREAT ELLIS ISLAND RUSH. Some little Czech-Slovak children at Ellis Island, part of the great rush of the great rush of emigrants which has reached Ellis Island in the last few days. One of the greatest in its history.

## Hospital Scheme Outlined

The rural municipal hospital scheme, for which a committee of members representing the town and country section of the proposed district was nominated some time ago, is making good progress.

Last week a meeting of the sub-committee appointed at the general meeting of the governing board to arrange a workable scheme was in session for two days in Calgary, and as a result the tentative scheme will be brought before the governing board, further information being required from the city, before the negotiations can be concluded satisfactorily. The committee was also engaged in private sessions discussing details of collection of hospital fees, and other matters concerning the scheme. The committee has not yet formally accepted the Holy Cross hospital fee, but it is expected that it will do so.

The committee members in attendance were: W. M. Galloway, Kenneth C.H. McFarquhar, Cremona; W. E. Brown, Strathmore; H. Bannister, Okotoks; L. A. Grant, Hard Diamond; P. W. Meager, Cochrane; I. Coadworth, Cochrane.

The governing board will meet again on November 3, or some other date that day.

Following the approval of the scheme by the Board, it will have to be referred to the ratifying body of the district and be carried by a two-thirds majority of those voting. The effect of the scheme will be that every taxpayer living in the district will have the opportunity of hospital treatment at a nominal fee of \$1.00 per day. The expense will be borne by the taxpayers of the district, and the experience of the other districts has shown that the charge amounts to about three and one-half cents per acre which is a very small amount for the privileges afforded. Hospitals will save lives and needless suffering. The experience of the small rural hospital, which has been in existence now in Strathmore for the past two years, has proved the benefit of full hospital accommodation.

**Features of the Scheme.** The complete tentative hospital scheme for Calgary rural municipal district, as recommended by the committee of seven from the rural hospital board which has been in session in Calgary for two days.

The hospital of ten beds at Strathmore.

Branch hospitals of five beds each at Okotoks, Okotoks, Okotoks, Okotoks, and Okotoks, with the possibility of a larger one at Gleichen if further proposed addition of territory in that neighborhood is made to the district. Calgary to be the hospital centre for municipal districts Nos. 220, 221, 222 and 250, with no restriction on patients from the other centers who wish to come to Calgary.

Arrangement with Calgary General Hospital and Holy Cross hospital to pay actual basic cost for patients treated.

Method of financing in rural district. Patients to be charged \$1.00 each, balance of cost to be charged up to the general taxation, save charge for special services or private ward accommodation, which shall be paid for by patient himself.

The Calgary General hospital will charge patients from the Calgary rural hospital district rates for each ward, on the basis of the actual cost as appearing from month to month, and the bill will be rendered to the rural hospital district each month after such costs have been ascertained on the new cost system now in vogue in the hospital here.

This was verbally agreed to at the conference yesterday afternoon between the members of the city hospital at policy committee, and the members of the subhospital committee of the Calgary rural hospital district.

No agreement was reached as to the charge to be made for use of the operating room.

For the charges to be made in the maternity ward, one of the most important items available at the hospital charge to be made for each of the operating points which the rural board wishes to have settled.

### Charges at Cost

All these points have been laid over for a further conference. The city authorities will place in writing the undertaking of the city to share the actual cost per patient in each of the general, semi-private and private wards of the hospital.

No attempt was made by the city hospital committee to fix a definite charge for patients from the rural district, and the subcommittee of the rural hospital, in full satisfaction with the proposal to charge rates in accordance with the bare cost from month to month.

The cost figures for the month of September, quoted throughout the discussion yesterday, were as follows:

General Ward	\$3.79
Children's ward	\$2.29
Private Ward	\$5.20

This was a basis of about 50 per cent, capacity, the increases being that every taxpayer living in the district, the cost per patient would be lower.

### Holy Cross Charges

During the day the rural hospital board also received tentative schedule of charges from the Holy Cross hospital with which they will also enter into an agreement for treatment of rural patients, and these fees were shown to be much lower than those presented by the Calgary city hospital. They are as follows:

Three to four bed ward	\$2.00
Eight bed ward	\$1.50
Children's ward	\$1.75
Private ward	\$4.00 to \$7.00
Semi-private ward	\$2.00
Maternity ward	\$2.50

### Semi-Private Ward Accommodation

It was agreed at the conference, also, that rural patients from the Calgary rural district should have semi-private ward accommodation, whenever available, instead of general ward, since the system of accommodation at the rural hospitals of the province more nearly approached the standard of semi-private accommodation than any other ward.

It was further agreed that the basic rate charged rural patients should be subject to the rebate of the government grant of 50 cents per patient.

### Rural Costs Lower

Mr. Whiston, while discussing the rural vs. city hospitals made the statement that the basic costs of the rural hospital operation were much lower than the city costs, and would not state exactly what the rural figures and cost was.

During the day the rural committee which has been in session now for two days, after the problem of a hospital scheme for the district, submitted a list of questions to the city controller for information on the city hospital.

In answer to these Mr. Woods gave the following information:

The full capacity of the hospital is: General ward, 125; semi-private, 81; private 38. The percentage of capacity used during September was: General 99; semi-private, 82; and private 81.

The cost figures given for September include administration, professional (Continued on another page.)

## Varsity Quintet Monday Local Jottings

The Varsity Quintet, a combination which has been touring Western Canada for some time, will appear in the Opera House here on Monday evening, November 1st.

This company is a very good one indeed and should attract a large audience.

The following press notice from the Strathmore Independent is only one of many congratulatory notices they have received:

On Monday last the people had the privilege of listening to a superb concert by the VARSITY QUINTET. We have had good shows this winter but this one was different. The personnel of the company looked good and they formed a very pleasing group correctly gotten up and one just naturally looked for something good and they were not disappointed. Every number was enthusiastically received, applause was generously responded to, soloists were recalled again and again. So delighted were the audience that the management was approached for a return engagement accompanied with a promise of a bumper house.

## Tax Sale November 6.

As will be seen from our advertising estimate a sale of lots in the town of Strathmore will be held on Saturday, November 6. The lots concerned are mainly belonging to non-residents whose taxes have fallen into arrears.

There are some good buys offered in town lots, therefore, and the upset price is low.

The reason why there are so many lots offered on this occasion is that this is the start of a new system of enforcing taxation throughout the province, whereby lands that are more than one year in arrears are put up for sale.

Miss Florence Macdon, domestic science teacher in the new Agricultural School at Gleichen, spent several days last week with her cousin Mrs. McElhose.

### OF LOCAL INTEREST

Readers are requested to send in items for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are welcomed by the Standard, Phone 17 or 48.

Miss L. Holmes of Calgary, is a week end visitor to her friend Miss May Fox.

Dr. J. M. Brand, who has been in veterinary practice here for the past year, is leaving at the end of this month. His practice here is being taken by Dr. A. W. Hopkins, who like Dr. Brand, saw service overseas.

Mr. W. C. Brown enjoyed an aeroplane ride from Calgary to Minto last Monday as a passenger in one of the planes that are making the trans-continent flight. He says it is a great experience, and even looks forward to the well-known Ford.

The S.P.A. Hall has been cancelled on account of too much interest being shown by the ladies of the community. The G.W.A. have consented to take over the dance for that date. Every wishing a good time should be present.

Mr. John Hodge's auction sale last week, conducted by Mr. Layzell, was very successful, good prices being realized.

The sale of cattle on Saturday was not as successful, there apparently not being a great demand for cattle, although half a cow fetched good prices.

Constable Patterson presented in a case of housebreaking at Rockford last week, where a fine of \$10 was imposed.

A dance under the auspices of the G.W.A. will be held in the Opera House, Strathmore, on Friday, November 5th. Arrangements have been made to have this one of the best dances yet held in Strathmore.

At the C.P.A. meeting held here on Saturday afternoon, Mr. W. Springthorpe was appointed secretary, a room of Mr. P. T. McKillops. A resolution was passed thanking Mr. McKillops for his service in the C.P.A. during the past year.

Mr. and Mrs. H. G. Scherz, residents of their office wedding anniversary on Friday.

Mr. C. C. North was here last week on a visit to Mr. and Mrs. H. B. Seymour.

We understand that Mr. Layzell, who has bought Mr. McKillops residence, has rented it to Mr. Layzell, Inspector of Schools of the district.

Some correspondence was received from Catherine Lee late in the month in this issue, but will be published in our next.

Mr. R. P. C. Van Matton has just received information of the death of his mother in India. It is his intention to go there shortly and he has made a decision of his home here, though reaching his farm interests. He expects to return here late in the month.

Mr. and Mrs. R. W. Jenkins expect to arrive in Strathmore shortly. They have been in Regina for several years past, but Mr. Jenkins is now in the employ of the local irrigation department.

Dr. and Mrs. Birch celebrated at a quiet dinner, Friday evening. The guests were Mr. and Mrs. McKillops, Mr. and Mrs. Seymour, Mr. W. C. Brown and son Cecil.

Mrs. H. C. Giffin, who has been visiting in the city with her parents the past few weeks, returned Sunday to her home in Bryana.

Mrs. L. Dodge returned to her home in Lethbridge Friday evening.

H. B. Brown, of Bassano was a week end visitor in the city this week. Mr. Brown is the electrical engineer at the Bassano Dam.

### Wedding

The wedding took place in Strathmore yesterday, by Rev. T. Phillips, of the R. M. of Miss Irene Hodge to Mr. Ross Dunn. The bride was attended by her sister, while the bride's brother acted up for the groom.

The happy couple, after a short honeymoon in Calgary, will reside in Lethbridge, where Mr. Dunn is section foreman on the C.N.R. The groom was formerly section foreman at Ardara.

# PROTECTION

Against Price Reduction in Tractors

HART-PARR COMPANY ANNOUNCES LIBERAL POLICY WITH BUYERS.

The Hart-Parr Company, manufacturers of tractors at Charles City, Iowa, have announced that they will protect every person, who purchases one of their tractors against a reduction in price before June 1, 1921. If through reduction in manufacturing costs they are able to reduce the price of their tractor before next June, they guarantee to refund to owners who purchase tractors between now and June 1st, the full amount of that reduction. They state that in their opinion lower prices in manufacturing must be based on lower prices for raw materials, and the stimulating of quantity production. If that time comes before June 1, 1921, every farmer owner of a Hart-Parr tractor becomes a partner of the Company and shares with them the full extent of the reduction. Take advantage of this offer and buy your tractor from

## Reflections on the Referendum

Strathmore proved to be in the centre of the agitation belt, judging by the vote.

The action of the Alberta Government in giving credit of the vote to subscribers on inquiry, was much appreciated, and it is to be hoped they will continue to publish information on important occasions. The local phone staff are to be thanked for the courteous way in which they answered the many inquiries throughout the course of the evening.

The action of Strathmore voting was a surprise to many, for Strathmore is one of the most temperate and well-conducted towns in the province. Some of the phores that voted dry have not as good a reputation for general sobriety. Possibly, however, that is why they voted dry.

The reports last night indicated that Manitoba had gone wet, but the morning returns showed it dry. Even in the postage stamp province it will be difficult to get a lick.

THREE-PIECE SUIT IN SMARTEST MOIST

This chic three piece suit is made of green velvet, and is trimmed with Fox. The straight, classic frock has touches of reduced head embroidery from Franklin Simon Co.

# STRATHMORE SALE OF LOTS

A number of lots and parcels of land in the Town of Strathmore will be offered for sale under the Tax Recovery Act at the

**Town Hall, Strathmore  
Saturday November 6th**

Commencing at 2 p.m.

These lots will be offered for sale to the highest bidder. They afford a good opportunity to the prospective home-maker or investor. Strathmore has never been a boom town. Progress has been steady and continuous. Taxes are not a burden on the rate payers.

You cannot go wrong in buying one or more of these lots. If you don't actually need it now you will later on. The former owner has one year from date of sale to redeem his title. Failing that, the buyer gets full title at that date. If the former owner redeems the property by paying taxes and costs, the buyer at the tax sale gets ten per cent. on his payment.

Ask the Town Secretary, F. R. Iddly, for a list of the properties offered.

## Reflections on the Referendum

The Dry-Crener was severely handicapped in a local pulp on Sunday morning for its stand on the drink traffic. There is one thing, however, in which the and the clergyman were in agreement. They both pronounced a dry vote. Only thing Bob attributed it to the bootlegger vote.

Latest reports we understand, in crease the Prohibition majority to about 10,000 for Alberta.

LOST, on or about the 30th October. One dark brown Mare Horse, weight about 1000 or 1100 pounds. No visible brand. Tail clipped, mane rough, close to return to Palm & Miller, north of Rockwood.

## U.F.A. READY FOR BIG DRIVE

Greenfield Confident that Alberta Organization will make Record Showing.

Herbert Greenfield, Westlock, Vice-President of the U.F.A. and chairman of the U.F.A. organization committee, advises that everything is in readiness for the big drive during the first week in November.

Most of the preliminary work has been done and it is expected that on November 1st and November 2nd upwards of 3000 enthusiastic U.F.A. supporters will be in the field visiting their neighbors and soliciting for memberships in the association.

The organization work in both Manitoba and Saskatchewan has been progressing favorably and reports from "Metric captains" indicate that the morning of November 1st will see upwards of ten thousand active workers beginning their canvass in all the rural districts in the three provinces.

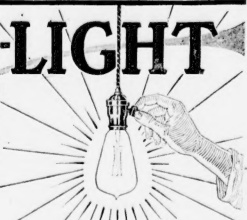

In this drive an endeavor will be made to have a representative of the farmers association, visit every resident farmer between the City of Winnipeg and the Rocky Mountains. The head of every household will be asked to contribute the sum of \$6.00—no more no less. This amount will pay for a year's membership in the association, a year's subscription to the official organ and leave \$2.00 to be used by the county and district boards for organization purposes.

Associated with Mr. Greenfield on the Alberta Organization Committee are L. M. Goetz of Red Deer and Snow Sears of Nanton. All are members of Board of Directors of the U.F.A. The committee has set an objective of 50,000 U.F.A. members for the year 1927 and all are confident that this figure will be reached.

Calgary, Alberta.—According to the Canadian trade directory, the average value of goods sold in the month of September, at which 281 combined shops, and 142 sets. The high grade of wheat was strongly in evidence, 25 being recorded number one and 100 number one pattern, in October 1926 and only 24 rate low grade.

## DELCO-LIGHT

A New Model  
\$585

A 3/4 kilowatt DELCO-LIGHT at a greatly reduced price is offered to you. This plant generates plenty of electricity for the average requirements of the farm home, for abundant electric light, power for pumping water and for running the machines ordinarily turned by hand.

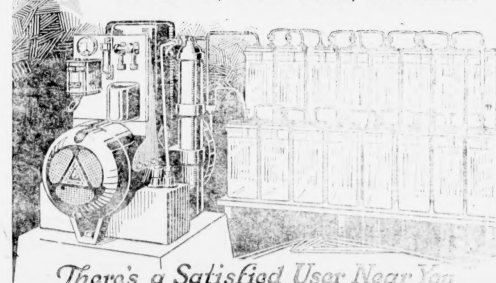

And the price is only \$585 f. o. b. nearest Canadian Distributor's Headquarters.

There are larger DELCO-LIGHT models for larger requirements—at prices lower than those paid for former models of the same capacities. All DELCO-LIGHT models have the same unexcelled mechanical features. They are self-cranking, self-stopping, air-cooled, have only one place to oil, and are equipped with thick plate, long-lived battery.

No matter where you live, there is a satisfied user near you, enjoying the comforts, conveniences and labor-saving features of DELCO-LIGHT. Over 125,000 plants in daily usage are your assurance of the continued satisfactory and economical service of all DELCO-LIGHT models. There is a size DELCO-LIGHT to meet your needs.

Write, phone or call for detailed information

## FORGING

FOR NEAR A SCORE OF YEARS THE U.F.A. HAS BEEN FORGING AHEAD.

SOME MISTAKES HAVE BEEN MADE BUT THESE HAVE BEEN ERRORS IN METHOD ONLY—ALWAYS THE OBJECTIVE, CLEAR CUT, WELL-DEFINED HAS BEEN IN VIEW.

URGED ALWAYS BY A NEED ONLY TOO EVIDENT, AND BUILDING ORGANIZED STRENGTH ON ORGANIZED STRENGTH—STEADY, WELL ORDERED PROGRESS HAS BEEN MADE.

LOOKING ALWAYS TO THE FUTURE—TO THE BUILDING OF A TRUE DEMOCRACY WHEREIN THE REAL WORKER WILL RECEIVE ADEQUATE RECOMPENSE FOR HIS TOIL—CONSISTENTLY, WITHOUT FILTERING, THE CHAIN HAS BEEN FORGED LINK BY LINK.

THE ORGANIZATION HAS NOW REACHED A POINT WHERE ITS VERY STRENGTH ATTRACTS THE LOYALTY OF MANY MEN, BUT ITS TASK CANNOT BE COMPLETED UNTIL IT HAS THE ACTIVE SUPPORT OF THE RURAL POPULATION 100% STRONG.

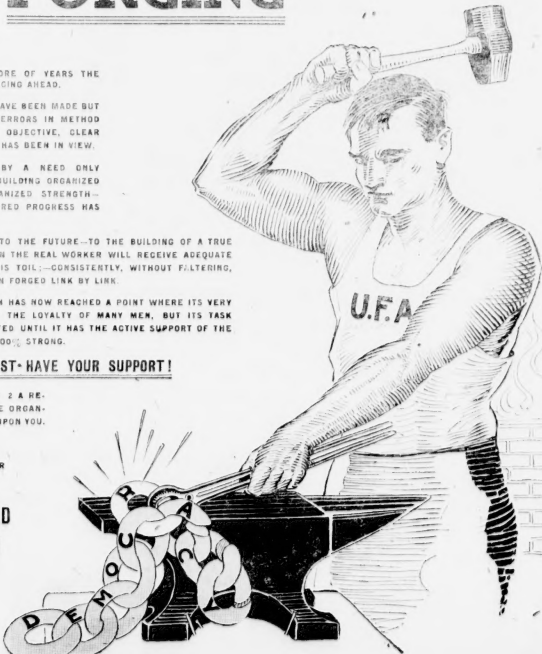

IT MUST HAVE YOUR SUPPORT!

ON NOV. 1 OR NOV. 2 A RE-PRESENTATIVE OF THE ORGANIZATION WILL CALL UPON YOU.

WELCOME HIM.

HE WILL ASK FOR A CONTRIBUTION.

BE PREPARED  
TO DO YOUR  
PART

A 15-acre farm purchased in 1915 in Calgary, Alberta. The value of near Three Mills, Alberta, recently building permits issued during the month of September was \$26,000, with the proceeds of the sale. Permits for buildings for the first nine months of the year aggregated \$2,114, 20c.

## Paint Protection vs. DECAY

Any surface that is covered with *Glidden Endurance Paint* is well covered and will not decay easily, for *Glidden* protection is good protection and saves the cost of frequent repairs.

*Glidden Endurance Paint* prevents decay, keeps out moisture from the wood and resists wear from changing weather conditions without sealing or cracking.

*Glidden Endurance Paint* stays fresh and bright for a long time, wears well and looks well—and because of its durability is the cheapest paint you can buy.

For everything about the home or farm that needs to be painted, stained, enameled, varnished or finished in any way, there is a *Glidden* product made especially for that purpose.

We have them. Color cards free.

## Crowfoot Notes

We are pleased to report Mr. Ed Scheer recovering rapidly from his accident. Mr. Scheer has been home from the hospital about ten days.

Mr. and Mrs. D. H. Garton have a new addition to their family.

Mrs. Mitchell and son Harry have been leaving for Indiana shortly.

It is planned to have a Halloween Social at Crowfoot Schoolhouse Friday evening, October 29th for which a programme is being arranged.

Mrs. R. Stanger, one of the pioneers of Strathmore, spent last week visiting her son Mr. Stanger.

Rev. Dr. Kirby, of Mount Royal will have charge of the service at Crowfoot Sunday, October 21st at 11 o'clock.

Threshing is practically finished in this district. Several yields of wheat are reported at forty bushels per acre.

Mr. H. C. Sutton is leaving this district shortly and will return to his former home in California. Mr. Sutton and children have already left.

Mr. and Mrs. Barnett, Miss Julia Barnett, Messrs Harold Scheer, Clifford Clemons and James Barnett visited Sunday with Mr. and Mrs. A. W. Miller of Rockyford.

Mr. Norman Scheer is sporting a new baby Grand Chevrolet car.

Mr. and Mrs. L. O. Wheeler and son spent Sunday with Mr. and Mrs. R. West.

Mr. and Mrs. Herman Hornstrom visited Sunday with Mr. and Mrs. Eric Englund.

On Sunday, October 17th, a splendid Rally-day programme was rendered at Crowfoot.

On Saturday evening about one hundred friends gathered to celebrate Mr. and Mrs. H. G. Scheer's silver wedding anniversary. It was the first gathering in their splendid new home which was admired by all present.

After a pleasant evening refreshments were served, after which the departing guests wished Mr. and Mrs. Scheer many more and pleasant anniversaries.

Mr. Chas. Eves, a Sheriff of the City of London, has had the honor of knighthood conferred upon him. The new knight is an uncle of Mr. T. H. Eves of Strathmore.

## HELP THE CHILDREN

"The almost helpless children"

(They have the children very much). Was a remark frequently made by the people of France, among whom the soldiers of the Canadian Corps were billeted. It fitted the "We" but soldier, for, hard bitten though they were it was the first time they liked nothing better than to play with and amuse the children. It was every day with the Canadian soldier to see a French child with "Canada" on his sleeve, or a stalwart sergeant of infantry, or a sturdy sapper of the engineers, holding Madame's tiny "babe" while she improved the time at her millinery or household duties or perhaps at making "une tasse de cafe pour les soldats." Now do we think that the soldiers, his hearted and fair minded as they were, could have withheld their tenderness even had they been a little less. However that may be, the soldier of Canada in his kindness and care for the weak and helpless, and sometimes suffering children, only typified the character of the nation to which he belongs. There are now millions of children of Europe who have been made fatherless and destitute by the war. Their case is pitiful beyond description. Ill nourished during the conflict, they need convalesce men and women who desire to emigrate to British colonies. Canada, cover their normal conditions of life and health. Several millions of them can get these needs only as they these helpless children.

are provided by other nations, chiefly the British Empire and the United States of America. The Canadian Red Cross is to make an appeal on their behalf during Christmas Week, when it will ask for contributions to the British Empire Relief Fund. The appeal for this Fund is being made throughout the whole Empire. Canadian contributions to the Fund will be forwarded through the Canadian Red Cross, and the British Red Cross, in cooperation with the League of Red Cross Societies, will direct their expenditure where most needed. All who are interested, and who are not should get immediately in touch with their local branch of the Canadian Red Cross, or if no such exists with the Headquarters of their respective Provincial Divisions.

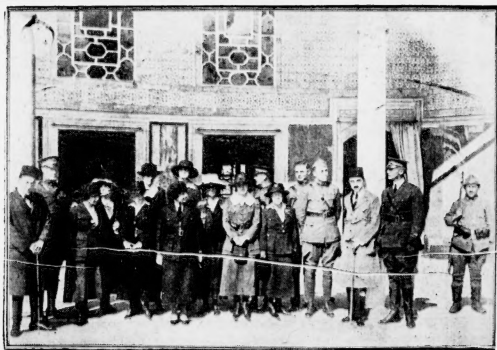

Regina, Saskatchewan.—According to a day missionary, there are 6,500 slave people in Saskatchewan. He states that owing to the extensive campaign of the Department of Education, the greater portion speak not the but the English language, a striking contrast to the situation which existed a few years ago.

Montreal, Quebec.—A cable from London England states that the overseas settlement committee has received 5,000 applications from ex-servicemen and women who desire to emigrate to British colonies. Canada, it is stated, is overwhelming the favor of point of location in the minds of them can get these needs only as they these helpless children.

## FEED AND CHOPPING AND GRINDING

We have installed an engine and grinder in the old Mackinley Block, 1st street, and are now ready at all times to do your chopping and grinding quickly and cheaply.

## BUY AN IRRIGATED FARM FROM

### THE CANADIAN PACIFIC RAILWAY

BECAUSE—

Irrigation makes the farmer independent of rainfall, and insures good crops, not seasonally, but every year. Irrigation makes possible the successful culture of alfalfa, the king of feeders, which insures good returns in dairying and mixed farming. Irrigation means intensive farming and close settlement with all the advantages of a densely populated agricultural community. Irrigation in the Canadian Pacific Railway Irrigation Block is no longer an experiment, the years that it has been tried having absolutely demonstrated its success wherever intelligently applied.

This is the most liberal offer of irrigated farm land in Canada. For full particulars, apply to

ALLAN CAMERON, General Supt. of Lands

## Namaka Notes

Mr. Phil Mergen is confined to bed seriously ill at the present time, with Dr. Givins in attendance.

The Agricultural schools of the Province open for the winter session on Friday. A goodly number of boys and girls in the district are looked to attend.

The cost of living in Gleichen is no small bill in the expenses.

Last Friday evening a large party of young folks surprised Miss Margaret Sim at her home to give her a "send off" to the Agricultural School at Gleichen. The company spent a jolly social time and after refreshments were disposed of dancing was kept up to the small hours.

The children of Namaka school intend celebrating Halloween Friday evening next, October 20th, in the Oddfellows Hall. There will be lots of fun for everybody; parents, brothers, sisters, cousins and aunts. All welcome.

Winnipeg, Manitoba.—That the second largest city of Manitoba will emerge from the wilderness in the northern part of the province when the vast natural resources of the hinterland are developed, is the prediction of Winnipeg mayor, who recently toured that region. The Flin Flon mine, he states, is due to become the greatest copper mine in the world. The possibilities in timber, pulpwood, fish, water power, copper, lead, sulphide, zinc, silver and uranium are sufficient to make the mayor feel that the mayor, the Flin Flon mine alone having ore in sight worth \$100,000,000.
